RE: BASELINE SURVEY FOR GES WORKFORCE INITIATIVE PROGRAMME

Reference is made to our letter dated **20th December 2022** on the above subject.

The Education Commission under the Ghana Education Workforce Initiative (GESWI) programme engaged PricewaterhouseCoopers (PwC) to develop a revised education workforce design which will be used to develop a strategic approach and practical tools for education workforce planning and deployment to manage Ghana's education workforce.

In view of this, a baseline survey is being conducted to help gather information from teachers which will help improve the next phase.

Teachers are major stakeholders in this programme. Therefore, their input is a major factor of concern to the success of the change which will help improve the Ghana Education Workforce Initiative(GESWI) Programme.

Regional Directors are by this letter requested again to share the link with all District/Municipal/Metro Directors to further share on all teacher platforms.

Kindly find below the link <https://forms.gle/o35xECuA1X8WHCBdA> for the survey.

All teachers are encouraged to participate in this survey.

Counting on your full cooperation.

Yours faithfully,

A handwritten signature in blue ink, appearing to read 'ANGELA'.
